Restriction Removal Instructions

The following documentation is **REQUIRED** to remove restrictions:

1. Seller's Representation Letter (Questionnaire)
2. Broker's Representation Letter (for the sale of shares)
3. A Legal Opinion from a qualified securities attorney
4. Copy of Identification (Driver's License, Passport, etc.)
5. Any Agreements of how the shares were received by the Shareholder
6. Instructions on how the shares should be issued.

**It is the responsibility of the shareholder to obtain a legal opinion. Legal opinions are only valid for up to 90 days. Additional documentation may be required.*

Fees: Please contact our office

All Legal opinions are subject to a compliance review.

Please include clear instructions for the issuance and delivery of certificates. To change the registration of the shares or to deposit the shares via DWAC, please endorse the back of the certificate and obtain a medallion signature guarantee (available at a bank or brokerage firm). Include each shareholder's name, address, tax identification number (social security number), and cost basis (price per share).

Please feel free to contact us for additional information. Thank you!
